

## Welcome to the Innovaré Offsite Newsletter

It's been a busy end of year period for us and below is a selection of some of our activities and achievements from 2024.

### Groundbreaking Fire Testing.

Innovaré Offsite fire resistance testing sets the standard for Low Carbon + Fire Safe timber-based construction. Industry-leading fire testing by Innovaré Offsite at the world's only 5m fully loaded test facility in Dubai.
